Dear Parent / Guardian,

The Department of Education has announced a full review of the Religious Education (RE) Core Syllabus, with a revised curriculum expected following consultation and new regulations in 2026. Our school will carry out a full review of our RE provision once the new syllabus is published.

In the meantime, we will continue to teach RE in line with current legal requirements, ensuring it is delivered in an objective, critical and pluralistic manner as advised by the Department of Education.

Parents retain the right to withdraw their child wholly or partially from RE and collective worship, and we will ensure this process is simple, effective and free from stigma. Alternative arrangements will be provided for any withdrawn pupils. If you require further information about the withdrawal process, please contact the school office.
