Our Learning

Theme:Fairy Tales/ Dark&Light

This month our play will focus around the traditional fairy tales and the concepts of darkness and light. We will be exploring these themes through our play and art activities. Please see learning opportunities sheet for more details.

HELPING YOUR CHILD

- Read bedtime fairy tales together and talk about the characters.
- Play with torches, shadows, and night-lights to explore dark and light.
- Build a cosy blanket fort or den for sharing stories.
- Ask questions about their nursery day - Use Seesaw photos to help (e.g., "What story did you hear today?").

HOME/ NURSERY PARTNERSHIP

A big thank you to everyone who joined us for parent consultations. It was a pleasure sharing your child's achievements, development, and progress with you!

Forest School "Sneak a Peak"

Parents are invited to join us for a short "Sneak a Peak" at Forest School on either Wednesday 18th or Wednesday 25th November at the start of the session. Please message us on Seesaw if you would like to come along with your preferred date.

Outdoor learning is an essential part of the Pre-School Curriculum, supporting children's health, physical development, and well-being. As we play outside in all seasons, please make sure your child brings a warm, clearly named coat every day.

Winter Illnesses & Absences

With winter coughs and colds circulating, please help us keep all the children safe and well. If your child is unwell, please keep them home to rest, and let us know via Seesaw. As a reminder, children must be clear of any sickness or diarrhoea for 48 hours before returning to nursery.
